General Terms and Policy Information

Invoice Terms: 2% 10 Days, Net 30 Days except on special quotations which are NET. (No discount allowed on shipping charges.)

Freight: All shipments F.O.B. our plant, Jonesville, Mich. 50% of actual transportation costs (via cheapest way) allowed on orders of \$125.00 or more at net billing. Full freight allowed (via cheapest route) on orders of \$250.00 or more at net billing, within Continental limits of the United States.

Packaging: All Vaco merchandise is packaged in standard cartons as detailed in subsequent catalog and informational sheets.

Minimum Billing: Our minimum order is \$10.00. Any order of lesser amount will be accepted and shipped but will be billed at the \$10.00 minimum.

Prices: Prices shown in this schedule are available only to authorized distributors. Possession of this price sheet by anyone else does not constitute an offer to sell at prices indicated. All prices are subject to change without notice.

Returned Goods Policy: We believe that distributors should have realistic, balanced inventories in order to serve their customers well. However, no merchandise may be returned without prior written consent of the factory. We reserve the right to refuse the return of any item that is not a regular stock item on date of request for return. Any item approved for return must be shipped prepaid to our Jonesville plant. A minimum charge of 10% will be made for returned merchandise to cover handling, inspection and repackaging. An additional charge will be made for goods returned that is not in standard packages or for refinishing or repairing as necessary.

Sales Policy: We believe that a distributor is set up to distribute manufacturers' merchandise in the most economical manner and such being the case, we protect our distributors by not selling directly to his customers. We encourage business to go through our distributors for such quantities as a distributor carries in stock and thus be in a position to service his customers well. Thus, we reserve the right to refer all orders from industrial accounts to stocking Vaco distributors.

Advertising Policy: A portion of every sales dollar received is earmarked for our advertising on a national basis. This advertising is placed in such trade and consumer publications as would directly profit all Vaco distributors and promote the sale of merchandise. Our policy forbids us to underwrite any portion of the costs of publishing distributor catalogs. However, our advertising department is readily available for assistance in supplying line drawings, glossy prints and technical assistance. We do not give advertising allowances.

Guarantee: Vaco Products Company is pledged to give the very best service of which we are capable and to provide products of the very highest quality. As evidence of this pledge we offer the most liberal guarantee in the industry.

IMPORTANT!

This price schedule is "Keyed" to Merchandising Catalog No. SD-160. Numbers at lower corner of each page refer to same page number in SD-160 Brochure.

Issued March 15, 1972
